#### FOOT CARE CLINIC TO BE DISCONTINUED

February 22, 2010 – The fee-for-service Foot Care Clinic offered at South Bruce Grey Health Centre’s Chesley site will be discontinued effective May 1, 2010. The hospital based service has been operating at a deficit and would require significant price increases for patients if it were to continue. Foot care is currently available through a number of private providers in the area, as well as through the Brockton & Area Family Health Team (free of charge for rostered patients).

Visit SBGHC’s website for a full list of alternative providers, or contact the Brockton & Area Family Health Team for more information.
