

## Kincardine Summer Sing – A – Long 2010

Every Sunday from 7:30-8:30pm, July 4 – September 5 a different talented entertainer or group will be the focus. Bring your lawn chair or blanket and enjoy the beautiful scenery while listening to great music from yesterday and today. If it rains the music still goes on, it just moves into the hall at the Davidson Centre on Durham Street. Be sure not to miss out on this popular weekly event. A voluntary collection will be taken to help defray costs.
